

Our relationship

Achieving and maintaining Dental Health through a long term partnership between the Practice and the Patient.

We believe that you expect from us:

- ✓ We should be punctual and professional.
- ✓ We should make every effort to avoid you having any pain or discomfort.
- ✓ We should deal with you and your dental problems with care and respect.
- ✓ We should provide the quality of service that will make you want to recommend our Dental Practice to your friends.

In return we expect from you:

- ✓ If you make an appointment, you should keep it and arrive on time.
- ✓ When you are presented with a bill from us, you pay promptly.
- ✓ You will refer new patients to the practice, recommend family, friends and neighbours.
- ✓ You will be more a friend than a patient.
